Variations

Performance, approximately 5-6 minutes

Requires minimum 25 sq. m (or more space depending on the number of performers),
beamer, media/dvd player

Description:

This is a performance in which volunteers are asked to follow a video projection of Yvonne Rainer performing her piece *Trio A*. None of the participants were familiar with the choreography, which is somewhat challenging even for a trained dancer due to its unusual and unpredictable sequence of movements. *Variations* is the 1st project in a series of works dealing with the restaging of Yvonne Rainer's *Trio A*, which was reworked numerous times over the years by Rainer herself as well as others.
